As our years in high school come to a close, we should not be looking back at what we are losing, but looking forward to the new lives we are about to commence.

The world holds so much for us to seek out, learn, and experience. We relinquish too much when we leave challenges untried. We lose if we give up before we even begin. The future is only what we make it to be. And now is the time for us to begin building that future.

Brenda J. Richards

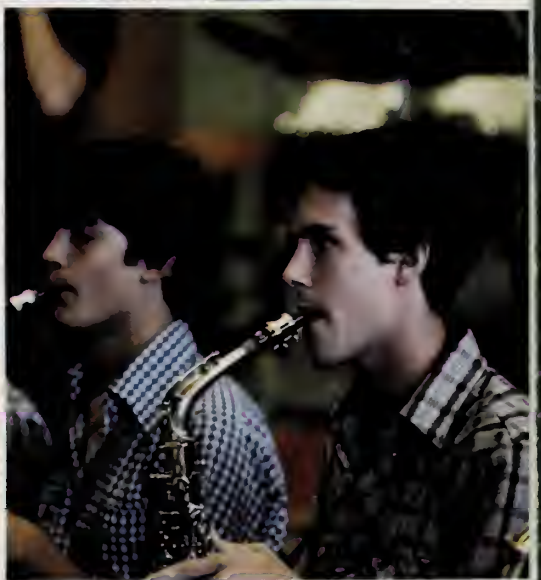

There are certain qualities one seeks in the selection of someone for a dedication. This person must possess special attributes which elicits a sense of high regard from others, and reflect ideals for which we all strive.

Miss Anna Parakilas is one who possesses such qualities. She has served the education community in many ways throughout the years: as the Secretary of the Superintendent of Schools, as teacher at the Northampton Community College, as a teacher in Turkey, and in our own school for 20 years. She is well known for her kindness, generosity, and the deep concern she shows for others. Very often she gives up her spare time for the sake of helping others.

And so, because of our high regard for you and because of the high ideals you reflect, we the class of 81, dedicate our yearbook to you.

## *Dedication*

*The years have passed quickly, Leaving us with the precious memories*

... of laughter and tears  
... of achieved goals and unforgettable victories  
... of special moments  
that only friends can share.

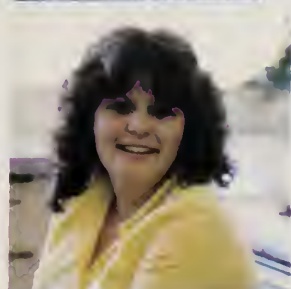

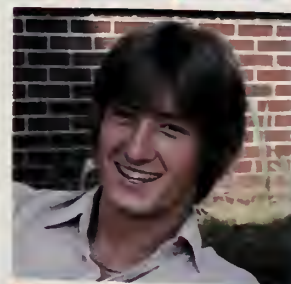

*But more importantly,  
These years have prepared us,*

*To go out into the world and face  
All the challenges it brings,  
And live our lives to the fullest.  
B.J.R.*

# SENIORS

## *Class Officers*

During the three years that we have spent in Enfield High, one thing has become clear, that we all need friends. Though many of us will leave our friends behind to go on to pursue our different goals in life, we must look back at our high school memories and cherish them. For never again will we be able to experience the many humorous and worthwhile things that we, the class of nineteen eighty-one, have done together: homecomings, pep rallies, junior proms and senior proms, and the class pride that we displayed at the Senior Variety Show and on Class Night. I hope that the class of 81 leaves E.H.S. as better friends, with a better understanding of how important friendship is.

Robert Lally  
Class President

Whether to complete a research paper or to select a paperback for leisure reading, students find a collection of books, periodicals and audio-visual materials selected to supplement their courses and appeal to their reading interests in the high school library.

Left to right: Mrs. Mary Barnes, Librarian Mrs. Marie McGarry, and Mrs. Charlotte Bielski.

The services of the counseling staff are available to students who need educational, vocational, social, and personal counseling. Areas in which counselors may be helpful to students are: Peer Relationships, Adult Relationships, Social Achievement, Course Selection, Testing and Interpretation, High School Curriculum, Career and Vocational Planning.

In addition to the counseling services, students also have the opportunity to utilize the Career Resource Lab. This lab includes a broad selection of materials such as books, pamphlets, filmstrips, college catalogues, occupational information, a college view book, occupational files, a film-strip monitor, a micro-film file and micro-film reader.

Sitting, left to right: Mr. Richard Hellstein, and Ms. Rae Tober. Standing: Mr. William Wenzel, Mr. Stanley zuZel, and Department Chairperson Mr. Raymond Cloutier.

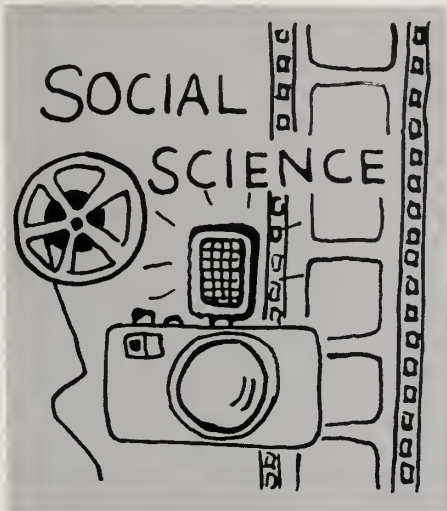

The Foreign Language Department at EHS has continually encouraged students to study a foreign language not only to expand their knowledge of other cultures, but also to improve their potential in the world of work.

French, German and Spanish are taught in an approach that is audio-visual with emphasis on the sounds and grammar patterns of the spoken language. Latin is also presented in a dynamic manner with audio-visual materials that help the student develop a better cultural understanding of classical antiquity and its implications in the present.

Sitting, left to right: Mrs. Donna Swan, Mrs. Denise Light, and Department Chairperson Mrs. Sandra Brassard. Standing: Mr. Mark Winzler, Mr. Raymond Montagna, and Mr. Paul Lucius.

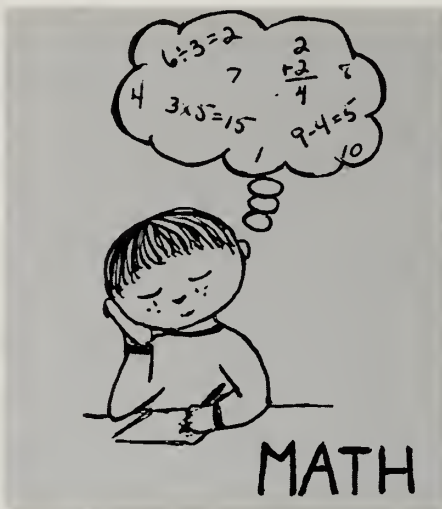

The 1980-1981 school year was one of continual attempts to provide avenues for self-realization and self-fulfillment for students in Social Science class. The social science curriculum has been designed to provide choices, to increase the possibility for students to make some meaningful contact with society, to identify and understand complexities in today's world, and to formulate responsible value systems for life in a diverse world.

Sitting, left to right: Mr. Dennis Corso, Dr. Richard Celio, and Department Chairperson Mr. Edward Boland. Second row: Mr. Joseph Bacewicz, Dr. Frank Taylor, Mr. Frank Gawle, and Mr. Richard Vincent. Missing from picture: Mrs. Patricia Bigos.

In recognition of the vital role that mathematics plays in our lives, the Enfield High School Mathematics Department has attempted to offer a varied and extensive program of courses. These offerings range from practical mathematics for those who desire proficiency in basic skill areas to theoretical courses for those who will pursue mathematics beyond high school. It is hoped that the students of the 1981 graduating class have gained an understanding of the basic interrelationship of mathematics and an awareness of its relevance to everyday experience, and will pursue the study of mathematics to the highest level of their ability.

Left to right: Mr. Stephen Smith, Mr. Stanley Tupek, Department Chairperson Ms. Barbara Flebotte, Mr. Eugene Scheck, Mrs. Marilyn Scheck, Mrs. Rachele Lorenson, Mr. Raymond LaFlamme, Mr. Michael Austin and Mr. Robert Bromage.

As a result of increasing number of students electing to take science offerings and because of the continual importance of scientific knowledge in today's society, the Science Department of Enfield High School realizes the value of the established curriculum and continues to offer the following wide range of subjects.

The basic Science Curriculum of full year courses consists of: PHYSICAL SCIENCE, BIOLOGY, CHEMISTRY, PHYSICS, and HUMAN ANATOMY and PHYSIOLOGY.

More comprehensive studies of Biology and Chemistry are also offered as full year courses: ADVANCED BIOLOGY and ADVANCED CHEMISTRY.

In addition, the Science Department offers semester courses of study in the following areas: ECOLOGY, BOTANY, ASTRONOMY I and ASTRONOMY II.

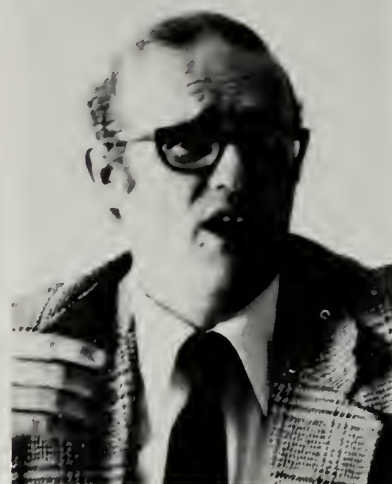

Independent study is made available upon request to those students who have specific needs not met by the established curriculum.

BEST WISHES TO THE GRADUATING CLASS FROM THE SCIENCE DEPARTMENT.

Sitting, left to right: Mrs. Mary McGuire, Mr. Richard Mazur, and Mr. Michael DeRose. Standing: Department Chairperson Mr. Edward Bassett, Mr. Kenneth St. George, Mr. Robert Kramer, and Mr. Edward Maszta. Missing from picture: Ms. Mary Wood.

The Enfield High School English Curriculum offers a varied program of required and elective courses designed to help each student achieve full potential in basic skills and in understanding and enjoyment of literature.

It is our hope that students will select courses carefully and participate fully in the activities of each class.

Sitting, left to right: Mr. John Talbot, Ms. Anita Pappas-Raposa, Department Chairperson Mrs. Elizabeth Mullen, and Mrs. Adian Doherty. Standing: Mr. William Fogarty, Mr. Robert Campbell, Miss Gail Darden, Mr. David Frederick, Mrs. Doris Coughlin, and Mr. Chester Blair. Missing from picture: Mrs. Anne Knight.

The Business Department offers a variety of courses in basic skills and socio-economic subjects that provide comprehensive training useful in office and business related occupations. On-the-job training opportunities are available in the fields of office and distributive occupations. Many courses also serve as a background for advance study in allied areas.

Sitting, left to right: Miss Anna Parakilas, Mrs. Donna Piela, Mr. Richard Miltz, and Mrs. Dorothy Hare. Standing: Mr. Dennis Murphy, Mrs. Dorothy Snider, Mr. Joseph Kuliesh, Department Chairperson Mrs. Poppy Fowler, and Mr. James Furey. Missing from picture: Mrs. Phyllis Granata and Mr. William Silk.

The Art Department of Enfield High School is proud to have creative and talented students this year. The students were provided with the opportunities to acquire basics as well as the more difficult concepts in our art programs. It has been a good year with field trips, coupled with numerous exhibits and guest speakers. We know that this year filled with change, challenge and growth in our studio atmosphere produced constructive, creative expression in our students.

We will miss those of you who are leaving us and hope you carry fond memories of our Art Department.

Left to right: Mr. Roy Hare, Mrs. Barbara Kemnitzer, and Mr. Newell Murri.

Under the direction of Mr. John Gionfriddo, the instrumental music department offers a wide variety of performing opportunities. Courses include Marching Band, Concert Band, Jazz Ensemble, and several small chamber ensembles. These groups perform throughout the school year and have represented our Town and School both in and out of the State.

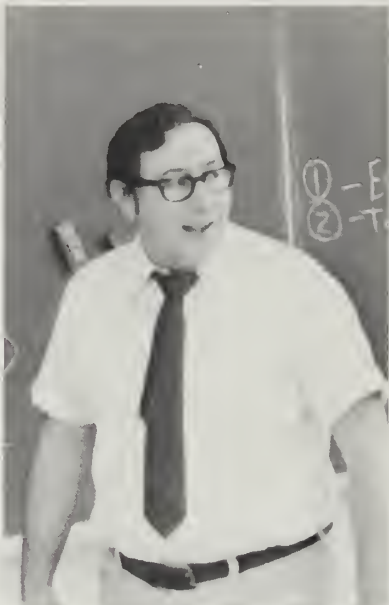

The classroom curriculum is aimed to accommodate three different kinds of students; the general student, who may include the History of American Music or Electronic Music in his studies; the college bound liberal arts and elementary education majors, and the advance music majors, who would study music theory and composition under the capable guidance of Mr. Leonard DeMaio.

Mr. Rocco Autorino, an accomplished vocalist in his own right, is in the director's chair when our mixed and select choruses take to the risers for a performance. The vocal class which he conducts helps the students gain confidence in his solo work, improve his vocal technique, and realize the potential of his own voice.

Left to right: Mr. Rocco Autorino, Mr. John Gionfriddo, and Mr. Leonard DeMaio.

Regardless of ethnic and economic backgrounds, we all share certain commonalities; we are all part of a family, and we are all consumers. However, many individuals do not have an opportunity to understand or develop the skills necessary to deal with problems related to ourselves, our families, and society in general. Family Living and Consumer Education focus upon the individual and seek to develop self-awareness through a variety of courses dealing with many aspects of our personal and social lives.

Student Teacher Mr. Ernest Avery

In an attempt to meet the changing needs and interests of students, the Physical Education Department offers a wide variety of activities. These activities include many individual and team sports.

Tenth grade students participate in a structured program which includes both team and individual sports with emphasis on fundamentals and knowledge to prepare them for selection of activities as juniors and seniors.

Juniors and seniors are required to take physical education and also have the opportunity to select from a wide range of activities that are offered. The emphasis at this level will be to further acquaint students with numerous activities and to help define their skills for a lifetime of physical activity.

## Soccer

The 1980 Varsity Soccer Team, coached by Mr. Bill Teed and assisted by Mr. Len Shortz, had an outstanding season. Captains Bill Teed, Lou Bachetti, Craig Newsam, and Bart Guistina led the team to a record of 13 - 2. A tremendous display of goal tending was exhibited by Junior Steve Ouellette, who was responsible for 11 shutouts. The backfield, consisting of Jim Lacey, Brian Smith, and Chris Massey, worked well together to execute a strong defense. The "bread and butter" of the team, Craig Newsam and Bart Guistina, controlled the midfield, as Mike Francolini, Jay Rhodes, and "Hatchet Man" Mark Wilcox provided for the left side. Val Kropiwinski, despite his injuries, fulfilled his responsibilities on defense. The dynamic duo of Bill Teed and Lou Bachetti, along with speedsters Rick Canino, Mark Pion, and George McDonough, provided a strong offensive attack for the Raiders. Congratulations are in order for their successful season.

### *Field Hockey*

Though the record (3-9-2) doesn't show it, the 1980 Girls' Field Hockey Team had a very rewarding season. Led by the underclassmen, along with Seniors Maura Coughlin, Jaime Rotatori, and Alaine Lagasse put forth a maximum effort throughout the season. The record does not show the final game which was a win over Fermi by a score of 3-2. Nor does it show the rewarding feelings, memories, and friendships which will remain a part of each player.

## Football

This year's football season was highlighted with their final game against cross town rival Ferri. This significant victory turned the tables from a would-be disappointing season to a rewarding one. The players were encouraged by the rowdiest pep rally in Enfield High School history. Coach Bacewicz helped to psych up the Raider fans when he asked them to pull together and support their team. Each member of the team is to be congratulated for his hard work and dedication. It should be mentioned that the support of the entire school made the players realize that everyone was behind them, and they came through. Congratulations to Head Coach Joe Bacewicz and Assistant Coaches John Skypeck, Ernie Avery, Ray LaFlamme, and Darrell Elliott. Best of luck to graduating seniors; Pat Olschafskie, Rick Hogan, Tom Orifice, Bob Vella, Paul Russell, Rob Lally, Mark Peucker, Mike Fusco, Eric Jorgensen, Dave Place, Doug Wilby, Greg Davis, Bill King, and Dave Fusco.

## Volleyball

The 1980 Volleyball Team's record does not give the players the recognition they deserve. Much hard work and determination went into the season. The team was led by Seniors Brigitt Jandreau, Karen McGuinness, Sandy Thompson, Jill Raynor, Kim Schott, Tammy Daniels, Captain Sue Franklin, and Captain Donna Livingston. Many fine memories and friendships were shared by the entire team. The players would like to thank Coach Marion Franklin and Assistant Coach Kathy Arrowsmith for their hours of work and dedication. ## Cross Country

The 1980 Cross Country Team, coached by Mr. Gary Blanchette and led by Captains Jeff Maier and John Lipinski, won its first meet in 50, breaking a five year losing streak. The greatest assets to the team came from younger team members: Juniors Eric Boudreau and David Arruda, and Sophomores Steve and Russ Chesworth.

Outstanding performances as well as efforts were evident in the endeavors of Sophomores Todd Belanger, Neil Beaulieu, Ted Burhams, Tony Tyler, Marion Lipinski, Mark Belanger, and Juniors Tom Burnham and Joe Duquette. Senior members wish their best to next year's team.

## Girls' Swimming

This year's team was the best girls' swim team Enfield High has had. In compiling a 5-6 record and sneaking six individual marks along with two relay records, the team ended the season on a triumphant note by soundly defeating arch-rival Fermi. A shot in the arm was given to the program when the Board of Education allowed freshmen to swim with the team for the first time. But the real strength and leadership of the team came from the six graduating seniors: Co-captains Lisa Oneto and Paula Kweder, Sue Krajewski, Joanne McGowan, Beth Nicewicz, and Lynn Kask. Among them, they own half of the records set this season. Along with the best regular season ever, the team also placed the most swimmers in post season competition, thus far. Ten swimmers journeyed to the Divisional Championships. No account of an athletic season would be complete without mentioning the friendships that were made during the season, for they are very close and permanent ones. They make each season all the more special.

Current relay record holders are Patrice McKiernan, Lisa Oneto, Margaret Dougan, and Beth Nicewicz in the 200 Medley Relay, and in the 400 Freestyle Relay, Paula Kweder, Margaret Dougan, Beth Nicewicz, Sue Krajewski, and Mary Keller. Individual marks were set by Paula Kweder in the 200 and 500 Freestyle, Lisa Oneto in the 100 Breaststroke, Margaret Dougan in the 100 Butterfly and 200 Individual Medley, and Patrice McKiernan in the 100 Backstroke.

## Cheerleading

The winter season's Cheerleading Squad consisted of Captain Debbie Bousquet, Co-Captain Dierdre Mooney, Co-Captain Megan Flynn, Trayce Curry, Donna Gill, and Janice Hitchcock. After the yearbook pictures were taken, the team picked up seven new members. These girls deserve credit for adding much to the squad's spirit. The late arrivals are Beth Thompson, Mary Keller, Jody Pelligrino, Karen Bosworth, Danette Hogan, Sue DeMur, and Julie Martocchio. The cheerleaders stayed behind the teams 100%. They helped to involve the crowd, and to give the support that Enfield High Sports are well worthy of.

## Boys' Basketball

This year's Varsity Basketball Team was led by senior captains Jeff Wheeler, Jeff Maier, and Lou Bachetti. All of the captains have been starting with the team for three years. Senior Dave Morton and junior Steve Ouellette were also valuable starters for the Raiders. The depth of the team was supplied by seniors Mike Gokey, Sam Bridges, and Scott Sweeney.

As leading scorer for three years, Jeff Wheeler has a chance to make Enfield High School history and along with Jeff Maier, become candidates for the C.C.I.L. All League Team.

An added highlight for this year was participating in the York, Maine High School Pre-season Tournament. Enfield finished second in the finals to York High School.

This year's squad was a talented one. Though the seven graduating seniors will be missed, Coach Bro-mage has a positive outlook for the seasons to come.

## Ice Hockey

The Hockey Team had a very successful season this year. With a strong offensive and defensive team, the Raiders placed many members in the area's top scoring standings. Nine of eleven seniors have been a part of the team since their sophomore year. Seniors Duane Cirillo, Captain Chris Chaput, Ron Scavotto, Gordie Massey, Chris Massey, Captain George McDonough, Captain Mark Peucker, Tom Grigely, Rich Hogan, Steve Meunier, and Jim Tinnerella were responsible for most of the success that made this year Enfield's second best over all.

## Girls' Basketball

Though four months of hard work and dedication didn't promise the team a top spot in the CCIL, it did prove to be a winning season in all of girls' hearts. Throughout many hours of practice and game work, every girl improved on both an individual and a team level. The three upperclassmen, Captain Maura Coughlin, Paula Kweder, and Tammy Daniels, managed to prove their seniority by helping sophomores Anne Keyes, Stephanie Wheeler, and Maureen Haley, and junior Judy Kaffeian give that 110%, which is a special quality of every Enfield Raider. The girls extra efforts made them winners when they came back to beat Fermi 38-37, after being down by ten points at the halfway mark of the game. Not only did the extra efforts make them stars on the court, but also in the hearts of each other, as good friends and fellow players. This is something that will always be cherished by all the girls

## Boys' Swimming

A group of seniors and some talented underclassmen, including freshmen, put together the strongest boys' swim team Enfield High has had. Most of the season turned out to be close, but not quite close enough. As of this date, February 2, 1981, the season is less than a winning one (2-5), with three meets remaining. Captain John Lipinski, Senior Matt Czarnecki, and Senior Cliff Thorstenson were strong assets to the season. The team suffered some bad breaks in losing their senior sprinter, Mike Irish, to an injured finger, along with four or five other swimmers. It should be mentioned that the entire team improved their skills a great deal, this provides Coach Fenton with a very optimistic outlook on the seasons to come.

Let us look back upon the seasons and recall  
our moments of pleasure,  
times of triumph and disappointment,  
the effort, strength, and dedication we gave  
in the good fellowship of competition.  
And now that it is done;  
left are the memories, friendships, and  
confidences  
that will be a special part of us always.

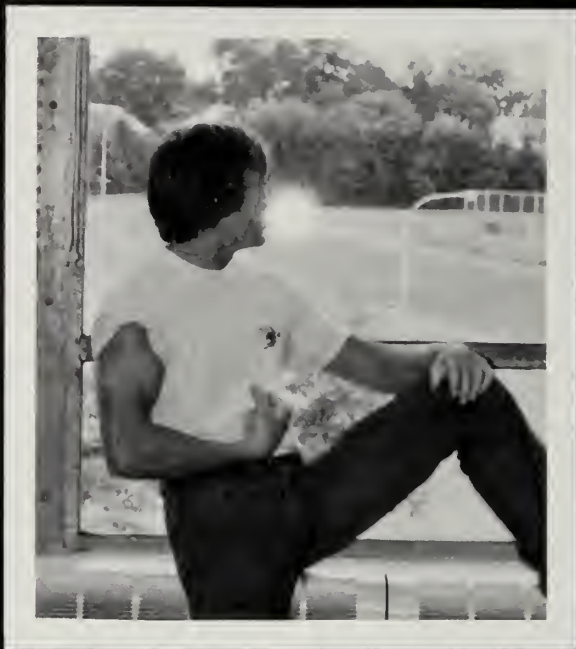

# CANDIDS

Macho, macho man.

It's cool.

You want us to lift that?

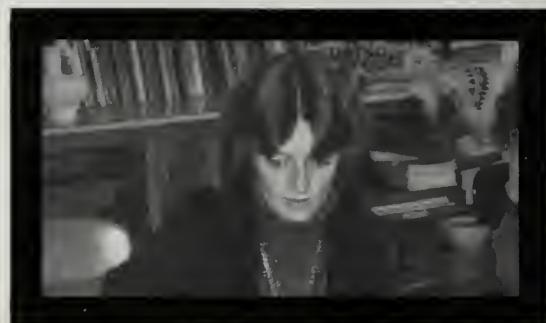

Which one should I eat first?

That was some party last night!

Does this pose get us on the cheerleading squad?

Is that a fact?

What do you mean? There isn't anything on my nose!

Okay! Now what am I supposed to do?

Ta daa!

Got it this time, or should I go over it again?

It's got to be Monday

You put your left foot in, you put your left foot out ....

One more milk and I'm gonna burst

I'll get you this time

Some guys got it, and some guys don't!
